Attending IU this fall

You need to arrive by Sunday, August 30.

Review the entry restrictions on our website. You will not be able to enter the U.S. if you are traveling from, or have traveled through, certain countries in the 14 days before your attempted entry to the U.S.

When you arrive in Bloomington from any international location, you will need to self-quarantine for 14 days.

New, initial status F-1 students will need to enroll in at least one in-person class (coded as P, HY, IN, or IS on your class schedule).

Whenever possible, the in-person class should be 3 credit hours, but a 1-credit-hour class is also permissible as long as you are enrolled in a full course of study and making normal degree progress.
