

Greetings from the Office of International Services

We're excited that you've applied to IU!

Your graduate department will lead you through most of the admissions process, but the Office of International Services is here to answer any questions you have along the way.

Send your academic records directly to the department to which you are applying to be considered for admission.

[Log in to iStart »](#)

Your University ID number is %universityid% and your PIN is %pin%. You'll need these to log in to iStart through Limited Services in the future.
